**We Want You**

Support your local businesses

## *Amherst - Brookline - Hollis - Milford - Wilton*

The Souhegan Area Referral Group is a non-exclusive referral and networking organization which assists business owners and operators to build their businesses and support the economic development in the area of the Souhegan Valley of New Hampshire.

We offer many networking and business education opportunities for local businesses and we assist you in targeting the type of business referral your organization may be seeking.

The business marketplace is a diverse arena, not only with the products and services each business may provide, but in the manner that each business determines their client base. SARG provides a unique opportunity to our membership to direct their focus in building their businesses, by creating two networking groups. Those organization that direct their efforts to provide goods and services to other businesses would as members be invited to join the B/B (Business to Business) group, while those who direct their efforts to the private consumer, will be invited to join the B/C (Business to Consumer) group.

Our commitment to growing a strong local economy is paramount in our mission. By supporting local businesses, we support the communities we serve, while cultivating positive relationships.
